RE: Notice of final determination in the antidumping duty investigation of circular welded carbon-quality steel pipe from India (A-533-852)

1. On 10/22/2012, Commerce published in the Federal Register (77 FR 64478) its final affirmative determination of sales at less-than-fair-value in the antidumping duty investigation of circular welded carbon-quality steel pipe from India (77 FR 64478).

2. The products covered by this investigation are described in message 1334303 dated 11/30/2011. As noted in that message, the scope only covers merchandise that is manufactured and/or exported by Zenith Steel Pipes and Industries Ltd. and any successors-in-interest to that company. As noted in paragraphs 4 and 5 below (and in message 2160302, dated 06/08/2012), Zenith Birla (India) Limited is considered to be a successor-in-interest to Zenith Steel Pipes and Industries Ltd. Note: this company may also be referred to as Zenith Birla Ltd.

3. This investigation has been assigned investigation number A-533-852.

4. For imports of circular welded carbon-quality steel pipe from India, CBP shall continue to suspend liquidation of such shipments entered, or withdrawn from warehouse, for consumption on or after 06/01/2012. Effective 10/22/2012, CBP shall require, for such entries, a cash deposit or the posting of a bond equal to the margin for the producer and/or exporter listed in the company-details table appended to the bottom of this message (i.e., Zenith Birla (India) Limited (previously known as Zenith Steel Pipes and Industries Ltd.), which has been assigned company case number A-533-852-001).

5. Antidumping duty order A-533-502 covers producers and exporters of circular welded carbon steel pipes and tubes from India other than Zenith Steel Pipes and Industries Ltd. (now known as Zenith Birla (India) Limited). Note, though, that the merchandise covered by the scope of A-533-502 (see, e.g., 51 FR 17384 (05/12/1986)) is not identical to that covered by A-533-852 (see paragraph 2 above and message 1334303).

6. In accordance with T.D. 85-145, at the discretion of CBP, CBP officers may accept either a single-entry basic importation and entry bond or a continuous basic importation and entry bond

only if the amount of the estimated antidumping duty is less than five percent ad valorem (or the equivalent). Otherwise, where the importer has the option to post a bond for estimated antidumping duties, CBP officers must require a single-entry basic importation and entry bond pursuant to T.D. 85-145. You are instructed to adhere to the requirements of T.D. 85-145 with respect to these bonding requirements.

7. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O7:SB.)

8. There are no restrictions on the release of this information.
